

Dear Mrs Garrison.

21 Many thanks for the
Photograph - I need not
say how highly I value it.

I intended to send mine,
at your kindly request - but
having just risen in quest
of it, I return to say, that
I have not one left - I have had
none taken, for years - and am
unable, I think to do again.
But I shall have a daguerre-
type copied, and will send a

Photograph then

Thanking you for your
kind letter - I am

Faithfully yours.

Lidian Emerson

Concord,

May 13th 1876.
